UCLA Professional Schools - Alumni Websites & Networks

The professional schools have created valuable networks and career tools to help alumni stay connected and provide them career guidance post-graduation. These resources can help alumni network, craft résumés, interview well and negotiate job offers. Click on the links to each alumni website to learn more about its benefits:

UCLA Anderson School of Management
The Anderson School of Management has some great resources on how to self-assess, research, network, and interview when searching for a job. The school also provides job leads, career webinars, resource sheets on professional networking organizations, and alumni connections via sites like LinkedIn and Facebook.
