Welcome and Consent Agenda

- President Christine Simmons welcomed the group, made opening remarks and convened the meeting. Minutes of the December 9, 2017 meeting were approved with an amendment that Ed Lew was present at the meeting.

Governance Committee

- Cheryl Lott, Chair, shared that proposed revisions to the Bylaws will be presented for the Board’s consideration at the next Alumni Board meeting in June 2018. The Regent rotation proposal is tabled due to possible changes at AAUC’s next meeting in May that could affect the implementation of the rotation schedule. The Governance Committee will then present an update at the next Alumni Board meeting in June 2018.

Finance Committee

- Paul Shurgot, Treasurer, shared that overall the finances are in great shape. There is a shortfall in actuals versus budget on sponsors mainly due to timing.
- Lea Howe, Chief Financial Officer, reviewed highlights from the Statements of Financial Position document. Performance of the endowment saw an 11% growth in FY18 Q2 compared to FY17 Q2. There is a projected shortfall of approximately $288K at year-end. The surplus from not having Alumni Day in 2018 and receiving a gift fund can potentially cover the shortfall.
- Howe reviewed the CAAE metrics presentation distributed in the handout materials. Julie Sina attended the CAAE conference and added that comparable institutions are in the process of collecting best practices regarding working with vendors and leveraging.
- John Arboleda suggested discussing Dashboard metrics at the upcoming board meetings.
- President Simmons encouraged building relationships with key corporate leaders to promote business development.
Diversity Advisory Committee Update

- Sally Lew, Co-Chair, shared that the focus has been on better understanding fundraising efforts and needs of the Diversity Networks as well as building relationships with campus partners focusing on fundraising.
- Lew encouraged board members to attend Diversity Networks’ upcoming scholarship fundraising events.
- Salvador P. LaViña suggested doing silent auctions as ways for affinity groups to raise money.
- D’Artagnan Scorza, Co-Chair, shared the committee’s future steps: 1) host a retreat to further develop the SMART goals; 2) meet with Youlanda Copeland-Morgan, Vice Provost Enrollment Management, to understand how enrollment data relates to racial disaggregation of SIRs; and 3) help diversity alumni groups connect young alumni to the professional career opportunities.

Career Advisory Committee Update

- Derek Hu, Co-Chair, highlighted the overall growth of programs across various industries as well as the continued growth of UCLA ONE which currently has 23,713 registered users.
- Eve Glatt, Co-Chair, shared the highlights from the Industry Advisory Cabinet meeting.
