How to Map Out Your Goals and Make Them Happen
PASSION ROADMAP

YOUR PASSION ROADMAP

1. MAKE A WISH LIST
   - Set aside ten minutes. For the next five minutes, imagine that this piece of paper is magical—what would you write in it if you could write anything you wanted on paper? What do you wish for? Ask yourself: If I could be anything, do anything, or have anything, what would I do?

2. PRIORITIZE
   - There are the four goals that you are going to prioritize. Think of them as the most important destinations in your life right now. Here we are going to create a Passion Plan to map out how to get there. A Passion Plan is a mind map that visually breaks down your goals into steps that are specific, actionable, measurable, and time-sensitive.

3. CREATE YOUR FIRST PASSION PLAN
   - Your Passion Change is the goal that would have the most positive impact on your life right now. Write this goal down in the blank box below. If you are not sure what to write, simply write the goal in the outline under your three-month window. Set your goal more detailed in the box. Connect each step to the middle box via a line example:

   - Run 3 miles twice a week
   - Buy a pasta maker
   - Take a cooking class
   - Cut down on junk food
   - Take a self-guided tour in NYC
   - Read backlist favorite books
   - Learn Spanish
   - Go to Austin, TX
   - Find a community volunteer opportunity
   - Create a gallery wall

4. ADD SPECIFICS
   - Assign due dates for each of these steps. Along the amount of time required to complete them. Be specific and be sure to indicate much, how many, or by when.

5. CREATE A TIMELINE
   - Look over each task and write the number “1” next to the one that must be completed first. Add a number “2” next to the second task, and so on until all tasks are numbered.

6. MAKE A DATE
   - Now write these dates in the corresponding date in your weekly layout. Throughout the year, use these as check-points to keep you on track.

7. WORK AT IT!
   - For this goal, strive to do at least one productive thing every day before 10 AM. To get closer to your goal, consistency is key. Here’s the drill: Do a daily task to make up for the next day.

8. REPEAT
   - Repeat the process for as many goals as you like.

EXTRA CREDIT
   - Find a follow-up buddy to check in with you and help you stay accountable for your goals.

A STEP-BY-STEP GUIDE TO MAPPING OUT YOUR GOALS

1. MAKE A WISHLIST
Set a timer for five minutes. Imagine that whatever you write on this piece of paper will come true within the designated time frame. Think of it as a wishlist describing your ideal life. Ask yourself,

“IF I COULD BE ANYTHING, DO ANYTHING, OR HAVE ANYTHING, WHAT WOULD IT BE?”
Write every single thing that comes to mind and be as specific as possible. Lastly, do not feel the need to be realistic or justify your dreams. Just write.

MONTHLY REFLECTION

What was the most memorable part of this past month? Describe it.

**WEEK 1** - My roommates and I spent the weekend having a Star Wars Marathon! #MayTheFourth

**WEEK 2** - My old college friends came to visit this week. We may or may not have consumed lots of BUBBA Q. We caught the animal that's been in our Warehouse! It was a cat, that's been prowling everywhere!!

**WEEK 3** - Spent memorial weekend with some good company and good ol' bonfire. (And S'mores?).

What were the three biggest lessons you've learned in this past month?

**LESSON 1** - Those who want to be in your life will make the effort/time.

**LESSON 2** - People show love in all different ways.

**LESSON 3** - Quality is way better than quantity.

Review your planner for the past month and assess your priorities. Are you happy with how you spent your time? If not, what steps can you take next month to adjust?

**WEEK 1** - So happy that I got out of my comfort zone and spent some quality time with my roommates. We didn't hang out like we used to since we all have our own things going on.

**WEEK 2** - Had a great time catching up with my old college friends. Would trade these nights for the world!

**WEEK 3** - Felt crummy this week because I felt sick and had major FOMO when all my friends were having fun. Rest up and you'll make time for fun next week!

**WEEK 4** - Stoked I got to revisit one of my favorite places and enjoy a nice bonfire with people I love.

NEXT MONTH - Continue making time for your friends and family. They've missed ya!

MONTHLY REFLECTION

How are you different between this past month and the month before it?

**HUNGRY FOR ADVENTURE**

**MORE OPEN MINDED**

**I FEEL ALOT MORE CONTENT**

**AND SOCIAL**

**PRIORITIZING FRIENDS+FAM**

**GETTING OUT OF MY COMFORT ZONE**

What or who are you especially grateful for this past month?

**WEEK 1** - Andrew, Sean and Ashley for being awesome housemates. And for being so open to hanging out as a house.

**WEEK 2** - Kevin and Samantha for taking the time to come visit. Haven't seen them in almost a full year! *Gasp!*

**WEEK 3** - Francis, James and Richie for being brave souls and capturing the cat. So grateful it wasn't hurt and we set it free.

**WEEK 4** - Everyone who came out for our bonfire!Means so much!*cries*

Name three things you can improve on this upcoming month. What concrete actions can you take towards these improvements?

**GOAL 1** - Be better at responding to text messages.

**GOAL 2** - Learn to say yes more often to any opportunity.

**GOAL 3** - Do things with friends that don't require money.

From 1-10, how do you feel overall about this past month? **10/10**
